## Magnus Image Customization Disclaimer

The images provided on this website are for illustrative purposes only. While we strive to ensure that the colors, designs, and other visual elements are accurately represented, the final product may vary slightly due to differences in display settings, printing processes, and other factors beyond our control.

By using our image customization services, you acknowledge and agree that:

### **1.Color Variations:**

The colors displayed on your screen may differ from the actual product due to variations in monitor settings and printing processes.

### **2.Design Adjustments:**

Minor adjustments may be made to the design to ensure the best possible quality and fit.

### **3.User Responsibility:**

You are responsible for ensuring that any images or designs you upload do not infringe on any copyright, trademark, or other intellectual property rights.

### **4.No Guarantees:**

We do not guarantee that the final product will meet your exact expectations, as customization involves subjective elements and technical limitations. We recommend reviewing your design carefully before finalizing your order. If you have any questions or concerns, please contact our customer support team for assistance.
